SRR24197771 (GO BP)
regulation of response to stress
defense response to bacterium
regulation of defense response
cellular response to decreased oxygen levels
cellular response to oxygen levels
regulation of cell communication
regulation of signaling
response to fungus
cellular response to hypoxia
response to oxygen levels
response to decreased oxygen levels
response to hypoxia
regulation of signal transduction
positive regulation of response to stimulus
defense response to symbiont
regulation of response to biotic stimulus
regulation of response to external stimulus
immune system process
defense response to other organism
immune response
